

# Logistics & Transport

***Fully funded training with job opportunities upon completion of the course***

This programme is designed for anyone entering the logistic & transport sector. This is a fully funded training programme to help people to get back into work and gain the necessary transferable skills valued by employers across a range of industries and sectors.

## **Eligibility & Course Delivery**

This training programme is fully funded for those aged 19 or over (*Eligibility is generally unemployed and in receipt of benefits*) or earn less than £17,374.50 per year. **There are limited places available for this exclusive course, so what you need to consider before you enrol: you must hold a driving licence and be able to pass a drug and alcohol test.**

### **Stage 1 ( All learners can do this stage)**

The first part of the course is delivered in up to 6 weeks. (*duration depends on which qualifications are taken*). This involves learning about the industry and what employers will expect. Hours of work, opportunities, different types of work involved.

### **Qualifications included in Stage 1**

- Certificate in Developing Skills for Employment within the logistics industry
- Certificate in Customer Service in the Logistics Industry
- Certificate in Logistics Operations

## Stage 2

*(You can only progress to stage 2 if you have successfully completed Stage 1)*

After successfully completing stage 1 and demonstrating a full commitment to working in the industry, you may be asked if you wish to progress on to stage 2. This section of the programme can take 2 to 4 months to complete all of the components. (depending on whether you already have a medical and/or theory tests) If you pass your driving test we can get you signed up with an agency for at least a 16.5 hour a week contract. *(Please note progression to this stage is highly sought after and not all learners will be able to progress straight away)*

## Course Content

Units covered during this Logistics and Transport programme include;

- Introduction to logistics
- Introduction to customer service within Logistics
- Health, safety and security at work
- Develop effective working relationships with colleagues in logistics operations

## Next Steps

Upon completion of the course, you will have the opportunity to sign up with an agency who will provide you with at least 16.5 hours work per week.
